Click on the Oracle link on the Inside CSG page.
You might need to find it on the 'Click here to see all links' link.

This should get to a page like this, but you won't have as many linked folders on the left.

On the screen that comes up, be sure first to set the correct Period in that pull-down. If doing the next week, it will default to the new week.
Yours will be blank the first time. After one is entered, it might show the prior week's settings.
